File No. Housing Board II (R) | 51

Gen. 104 e.

554 - B.

Office of the R.L.A.

In place of the draft notification at pages 107 to 117 ante, a revised draft notification is sent herewith.

2. Draft rule 12 proposed by the Department. It reproduces the provisions of section 33(1) and is unnecessary. Moreover, Form I which relates to the housing programme would not be suitable for publishing the schemes. The draft rule has therefore been omitted.

3. Draft rule 14 proposed by the Department. It has been included as revised draft rule 13. The proposed rule may be restricted to the reports, statements and returns which are to be prescribed by rules. Under section 62, Government has powers to call for other statements and returns by executive orders. Reference to such statements and returns has therefore been omitted from the revised dreaft rules.

OFFICE OF THE R.L.A.

Revised draft rules are sent herewith.

2. The proposal to make a rule for the purpose of vesting property of the Board in the State Government is not feasible, that can only occur when the Board is dissolved. Neither is it necessary to make such a rule. Under sub-section (3) of section 73B of the Act after the Board is superseded the powers, duties and functions of the Board can be carried on by the State Government or the officer appointed by it and this provision is sufficient for the purpose.
